THE HISTORY. Red Hot & Blue was founded in 1988 in Arlington, Virginia by three true Southerners and a "transplanted Yankee" who yearned for authentic, slow, hickory-smoked, Memphis-style barbeque on Capitol Hill.

THE NAME. The name, "Red Hot & Blue", is taken from the title of DJ Dewey Phillip's radio show that aired on WHBQ-AM in Memphis, Tennessee in the 1950s that launched the careers of many great musicians including Elvis Presley, Jerry Lee Lewis and Johnny Cash and broadened audiences for artists like B.B.King, Muddy Waters, Robert Cray and Rufus Thomas.

THE EXPERIENCE. We've been smoking our meats for over 30 years and haven't changed our process because what works, works. Providing the community with REAL hickory-smoked BBQ and a variety of sauces that'll tempt anyone's taste buds is the passion behind opening our doors every day. Pair our authentic BBQ with one of our sides and some Southern hospitality and it's a true experience. Thanks for joining us - dig in and enjoy!
