Red Hot & Blue strives to provide accurate nutritional information; all data is based on average values for ingredients, however, variations in preparation, serving sizes, product availability, and suppliers, may affect nutritional values.

Red Hot & Blue is committed to the safety and health of our valued guests. Our allergen information contains the most current information available from our food suppliers. Please note that due to shared food preparation and cooking areas, the possibility exists for food items to contact ingredients containing allergens. For this reason, Red Hot and Blue and its employees cannot assume responsibility for their allergen information.

For detailed information on food ingredients, the U.S. Food and Drug Administration has a great site: [www.cfsan.fed.gov](http://www.cfsan.fed.gov). To find out more about food allergies, we suggest: [www.foodallergy.org](http://www.foodallergy.org).
